2		Mimi & Chris	1	1	3	3	6	2	2	4							
3		Kerry & Cyle	2	2	4	4	3	0	2	3							

Relative placement was used to determine placement. A majority of judges is needed to be awarded a placement. With 5 judges, a majority is 3. So a placement is awarded when 3 judges agree on a couple. If more than one couple achieves a majority in the same iteration, the tie is broken by looking at the next iteration.
